CASE NO.: 2:21-cv-00484-JAD-BNW

PROPOSED JOINT PRETRIAL ORDER

24 After pretrial proceedings in this case,

25 IT IS SO ORDERED:

26 **I.**

27 This is an action for: Defendant Dmitry Pustylnikov, while driving a Knight Transportation
28 truck, attempted to pass another truck on US Highway 6 in Mineral County Nevada, in snowy

1 conditions. As he passed the other truck on the two-lane highway, a Subaru Forrester carrying
 2 Plaintiff Christine Le was coming the other direction and an impact occurred. The Forrester was
 3 struck on the driver side of the vehicle and pushed into the guard rail. As a result of the collision,
 4 Plaintiff allegedly sustained injuries and damages as indicated below. Plaintiff Le is the only
 5 remaining Plaintiff in this matter. Plaintiffs Michaels and Kolev have settled their claims.

6 **Plaintiff's Contentions:** Plaintiff contends this is a personal injury action arising from a motor
 7 vehicle accident that occurred on February 4, 2019. Defendant Dmitry Pustynnikov was negligently
 8 employed by Defendant Knight Transportation, Inc., in light of a prior drunk driving incident, prior
 9 incident driving in the snow that led to his termination at another trucking company, and prior incident
 10 driving recklessly while in Knight Transportation, Inc.'s employ. On the date of the incident, Defendant
 11 Pustynnikov entered oncoming traffic with his tractor trailer in inclement weather and driving too fast
 12 for conditions, attempting to pass another tractor trailer. Defendant Pustynnikov testified that he was
 13 attempting to avoid a collision with the vehicle in front of him. As a result, Defendant Pustynnikov
 14 caused a near head-on collision with the vehicle Plaintiff occupied, wherein Plaintiff's vehicle was hit
 15 on the driver side and pushed into the guard rail. After the incident, despite his duty to do so,
 16 Defendant Pustynnikov failed to call Knight Transportation, Inc. to immediately report the incident
 17 and present himself for drug and alcohol testing. In light of his prior drunk driving incident and his
 18 failure to report for drug and alcohol testing, Plaintiff alleges intoxication was a factor in this motor
 19 vehicle collision. Plaintiff filed the instant lawsuit wherein she alleges causes of action for: (1)
 20 Negligence against Defendant Dmitry Pustynnikov, (2) Negligence/Respondeat Superior against
 21 Defendant Knight Transportation, Inc., and (3) Negligent Hiring, Training, Retention and
 22 Supervision against Defendant Knight Transportation, Inc. The issues remaining to be determined
 23 at trial include: 1) liability as to Plaintiff negligence/respondeat superior claims, to the extent that
 24 Defendant Pustynnikov stands by his testimony that he was attempting to avoid a collision with the
 25 vehicle in front of him before turning into oncoming traffic; 2) liability as to Plaintiff's claims for
 26 negligent hiring, training, retention and supervision against Knight Transportation, Inc.; 3) the
 27 severity of the crash and causal connection between the incident and Plaintiff's injuries; 4) the
 28 amount of Plaintiff's damages, which collectively include past medical expenses, future medical

1 expenses, and past and future pain and suffering.

2 **Defendants' Contentions:** Defendants contend this is a personal injury action arising from
 3 a motor vehicle accident that occurred on February 4, 2019. Defendant Dmitry Pustyl'nikov was
 4 employed by Defendant Knight Transportation, Inc. and was operating a tractor trailer while
 5 Plaintiff was traveling in the Subaru Forrester coming in the opposite direction. Defendant Dmitry
 6 Pustyl'nikov attempted to pass another truck on US Highway 6 in Mineral County Nevada, in snowy
 7 conditions. As he passed the other truck on the two-lane highway, Plaintiff's vehicle approached
 8 from the other direction. Both vehicles attempted to stop but Defendant Dmitry Pustyl'nikov's
 9 vehicle made contact with the driver side of the Plaintiff's vehicle, which was then pushed into the
 10 guard rail. As a result, Plaintiff filed the instant lawsuit wherein she alleges causes of action for: (1)
 11 Negligence against all Defendant Dmitry Pustyl'nikov, (2) Negligence/Respondeat Superior against
 12 Defendant Knight Transportation, Inc., and (3) Negligent Hiring, Training, Retention and
 13 Supervision against Defendant Knight Transportation, Inc. The issues remaining to be determined
 14 at trial include the causal connection between the subject collision and the nature and extent of
 15 Plaintiff's claimed injuries and damages, both economic and non-economic, being alleged as a result
 16 of the February 4, 2019 incident that gives rise to the instant action.

17 II.

18 Statement of Jurisdiction: Plaintiff resided in Las Vegas, Nevada at the time of the collision
 19 and still resides in Las Vegas, Nevada today. Defendant Knight Transportation, Inc. is an Arizona
 20 corporation. Defendant Dmitry Pustyl'nikov was a resident of Florida at the time of the collision and
 21 still resides in Florida today. This matter involves a claim for damages in excess of \$75,000.
 22 Jurisdiction is therefore based upon diversity of citizenship under 28 U.S.C. § 1332. The parties
 23 admit that jurisdiction is proper and admit that venue is proper pursuant to 28 U.S.C. § 1391.

24 III.

25 The following facts are admitted by the parties and require no proof: Plaintiff and Defendant
 26 Dmitry Pustyl'nikov were involved in a motor vehicle collision on February 4, 2019.

27 IV.

28 The following facts, though not admitted, will not be contested at trial by evidence to the

contrary: Defendants do not contest that Defendant Dmitry Pustynnikov was in the course and scope of his employment with Knight Transportation, Inc.

V.

The following are the issues of fact to be tried and determined at trial:

A. Plaintiff:

1. Whether Defendant Pustynnikov reasonably attempted to avoid a collision with the vehicle in front of him before turning into oncoming traffic;
2. Whether Defendant Knight Transportation, Inc. negligently hired, trained, retained and supervised Defendant Pustynnikov following three prior incidents of reckless driving.
3. Whether Defendant Pustynnikov intentionally avoided required drug and alcohol testing immediately after the collision.
4. What injuries Plaintiff suffered, if any, as a result of the subject collision.
5. What damages Plaintiff suffered, if any, as a result of the subject collision.
6. Whether Plaintiff will have future symptoms related to the collision.
7. Whether Plaintiff will incur future treatments related to the collision.
8. The monetary value of Plaintiff's damages to be awarded, if any, which collectively include past medical expenses, future medical expenses, and past and future pain and suffering.

B. Defendants:

1. Whether the damages, both economic and non-economic, Plaintiff Le alleges to have suffered as a result of the February 4, 2019 accident are reasonable and accurate. Defendants contends that the damages alleged by Plaintiff in this matter are pre-existing, unreasonable and inaccurate.
2. Whether Defendant Knight Transportation, Inc. was negligent and/or breached any duty related to the hiring, training, supervision and retention of Defendant Dmitry Pustynnikov.

///

1 VI.

2 The following are the issues of law to be tried and determined at trial:

3 **B. Plaintiff:**

- 4 1. The issues of law raised by the parties' anticipated motions *in limine*.
- 5 2. Whether Defendants are liable for the collision to the to the extent that Defendant
- 6 Pustyl'nikov stands by his testimony that he was attempting to avoid a collision with
- 7 the vehicle in front of him before turning into oncoming traffic;
- 8 3. Whether Defendant Knight Transportation, Inc. is liable for its negligent hiring,
- 9 training, retention and supervision of Defendant Pustyl'nikov;
- 10 4. Whether the subject collision proximately caused injuries to Plaintiff;
- 11 5. Whether the subject collision proximately caused damages to Plaintiff;
- 12 6. Whether the medical treatment claimed was/is reasonable, necessary, and related to
- 13 the collision.

14 **B. Defendants:**

- 15 1. The issues of law raised by the parties' anticipated motions *in limine*.
- 16 2. Whether Plaintiff Le can prove casual connection of claimed damages at trial,
- 17 including medical causation, medical treatment, injuries and any and all forms of
- 18 damages being alleged by Plaintiff Le.
- 19 3. Whether Plaintiff Le can prove Defendant Knight Transportation, Inc. was
- 20 negligent or breached any duty related to the hiring, training, supervision and
- 21 retention of Defendant Dmitry Pustyl'nikov.

Plaintiff may use any and all writings, published works, journals, treatises, medical texts, affidavits, films, drawings, graphs, charts, photographs, reports, computer tapes, computer discs, and other data compilations, and other medical reference materials which Plaintiff and/or Plaintiff's expert(s) use in support of Plaintiff's allegations. By disclosing documents, Plaintiff does not waive the right to challenge and exclude documents, or portions thereof, on any basis.

Plaintiff may offer documents needed for rebuttal or impeachment purposes, including, but not limited to, discovery obtained during the course of litigation as permitted; pleadings; and other documentation in accordance with admissible evidence. There may be additional exhibits which Plaintiffs may wish to offer at the time of trial, not listed above. When and if that determination is made, notice will be given immediately and supplied to the Court and to Defendants.

Plaintiff may offer the following exhibits at trial, some of which are demonstrative in nature, as needed:

1. Clips from deposition videos of various witnesses in this case;
2. Demonstrative photographs and videos of pain management procedures and other diagnostic tests Plaintiff has undergone and will undergo in the future;
3. Actual diagnostic studies and computer digitized diagnostic studies;

4. Samples of the needles and surgical tools used in Plaintiff's various diagnostic and therapeutic pain management procedures and future medical procedures;
5. Diagrams, drawings, pictures, photos, films, videos, DVD and/or CD ROM of various parts of the human body, diagnostic tests and pain management procedures related to Plaintiff's injuries, medical treatment and future medical treatment;
6. Computer simulation, finite element analysis and similar forms of computer visualization;
7. Power point images/drawings/diagrams/animations/story boards depicting the facts and circumstances of the subject accident, the parties involved, the location of the subject accident and what occurred in the subject accident;
8. Pictures of Plaintiff prior to and subsequent to the subject collision;
9. Medical treatment and pain management timeline;
10. Future medical timeline;
11. Story boards and computer digitized power point images;
12. Blow-ups/transparencies/digitized images of medical records, medical bills, photographs and other exhibits;
13. Diagrams/story boards/computer re-enactment of the subject accident;
14. Models of the human body related to Plaintiff's injuries.
